The benefits available under the Plan Option Life will be based on the Coverage Options chosen by you at inception. Similarly, a Working Spouse can choose any of these Coverage Options at policy inception. These options, once chosen, cannot be altered during the Policy Term.

- Level Cover:** Your Sum Assured remains same throughout the Policy Term. However, if you have opted for regular premium payment then you can increase your Sum Assured thrice during the Policy Term with **Life Stage Cover Enhancement** option on any of the following life events i.e. Marriage, Birth/Legal Adoption of Child or purchase of new house. 25% of Sum Assured (50% only in case of Marriage) can be increased at each event and the same can be exercised for a maximum of 3 times during the Policy Term.

The request for the increase in Sum Assured should be made within one year of the occurrence of the Life Event and will be applicable from the next Policy Anniversary following acceptance of the request by the Company for the same.

Life Stage Cover Enhancement option is available only if Life Secure Plan Option is opted. (For further details refer Clause 3 under Key Terms and Conditions)

- Increasing Cover:** Your Sum Assured under this option increases by 10% per annum (simple interest) after completion of every Policy Year, provided the Policy is in-force. The last increase in the Sum Assured would happen just after the completion of 10th Policy Year and the Sum Assured thereafter would remain at that level for the remaining term of the contract.

The Sum Assured of the Non-Working Spouse will remain constant throughout the Policy Term.
