Canara HSBC Life Insurance is all set to open its IPO tomorrow. Backed by strong brand trust and a stable distribution network, the company aims for long-term growth in India's insurance sector. In an exclusive conversation with Anil Singhvi, MD & CEO Anuj Mathur explained that the company's business model focuses on transparency and sustainable growth. With an emphasis on balanced product diversification, Canara HSBC Life plans to expand its digital services and strengthen its presence across India. The IPO proceeds will be used to enhance capital adequacy, upgrade technology, and expand distribution reach.
