2. These Sum Assured limits and age boundary conditions mentioned in Product Summary table are only applicable for policies issued with standard mortality rates.
3. The policyholder (proposer) and the life assured can be different individuals in this plan. However, under this plan all benefits (death and survival) are linked to the life of the life assured and there is no benefit payable on the death of the policyholder. In case the policyholder dies prior to the life assured then the responsibility for premium payment will lie with the life assured or the guardian of the life assured (in case the life assured is a minor). Further, if premiums are not paid due to death of the policyholder, then the policy may be discontinued on the expiry of the Grace Period as described in the discontinuance section (7).
4. **Grace period:** You have a period of 30 days for annual mode of premium payment and 15 days for monthly mode of premium payment from the due date to pay your premiums, during which your Life Insurance Cover will continue.

5. You may change your Premium Payment Mode anytime during the policy term by submitting a written request provided your annualized premium is equal to or more than minimum Annualized Premium applicable for proposed mode of premium payment.
6. Collection of advance premium shall be allowed within the same financial year for the premium due in that financial year. However, where the premium due in a financial year is being collected in previous financial year, the premium may be collected for a maximum period of three months in advance of the due date of the premium.   - iii. Zero.
 However, for Reduced Paid-up Policy, the SAR will be computed as follows:

Option to increase the Sum Assured is not available for minors or persons above 50 years of age. Increase/-decrease in sum assured is subject to underwriting acceptance and minimum and maximum Sum Assured limits stipulated under this plan.
15. The term 'claimant' in this Sales Literature means the Policyholder, however for the purposes of payment of death benefit Claimant means the following person(s):

  - (ii) Where policyholder and Life Assured are same, Claimant shall be the Nominee (s) ,

16. The minimum partial withdrawal amount is ₹10,000 and the maximum is such that the Fund Value after withdrawal does not fall below 120% of the Annualized Premium. The cap on maximum partial withdrawal has been kept with the view to avoid those partial withdrawals which would result in immediate termination of the policy. If the Life Insured is a minor, partial withdrawals will be allowed from the first policy anniversary post the minor attaining 18 years of age.
17.
