Corporate Social Responsibility (CSR) Policy

Background

On 27 February 2014 the Ministry of Corporate Affairs notified Section 135 and Schedule VII of the Companies Act 2013 (hereby referred to as the “Act” as well as the provisions of the Companies (Corporate Social Responsibility Policy) Rules, 2014 to come into effect from 1st April, 2014.

With effect from 1st April, 2014, any company, private limited or public limited, which either has a net worth of ` 500 crore or more; or a turnover of ` 1,000 crore or more; or net profit of ` 5 crore or more in any financial year, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility activities (for the purpose of calculating 2% of average net profits, net profits to exclude dividends received from other companies complying with provisions of section 135 of the Act).

The CSR activities must be with respect to any of the activities mentioned in Schedule VII of the Act. As per the Act and the Rules an eligible company is required to should formulate a CSR Policy and upload the same on the company’s website.

To formulate and monitor the CSR policy of a company, a CSR Committee of the Board has been constituted. Section 135 of the Act requires the CSR Committee to consist of at least three directors, including an independent director.
Purpose
The Policy has been produced to provide guidance relating to Corporate Social Responsibility to ensure that the Company operates on a consistent and compliant basis.

CSR Policy
Canara HSBC Oriental Bank of Commerce Life Insurance Company, hereby referred to as the “Company”, is committed to give back to the community it operates in, including caring for the environment. The Company aims to minimise the impact of its business on the environment, have a positive effect on society and seek to further these objectives through trusts, societies and companies who embrace these objectives. The Company aims to use natural resources responsibly, work with community projects and encourage and educate its employees in these goals. The Company will also continue to assess the environmental and ethical impact of the business and work towards formalising guidelines to reduce any undesirable effects.

1. Constitution and functioning of CSR Committee

The Board of the Company will be responsible for (i) approving CSR policy and disclose its contents in Directors’ Report and on the company's website, (ii) ensure that activities are undertaken as per the CSR policy (iii) ensure that company spends at least 2% of the average net profit during the three immediately preceding financial years on CSR activities.

The responsibilities of the CSR Committee include:

i) To formulate and recommend the CSR policy to the Board which shall indicate the activities to be undertaken by the Company as specified in Schedule VII
ii) To recommend the amount of expenditure to be incurred
iii) To execute the CSR Policy that recommends CSR activities, the amount of expenditure to be incurred on the activities referred to and monitor CSR spends
iv) To monitor CSR activities through a transparent monitoring mechanism for implementation of the CSR projects or programmes or activities undertaken by the Company.
v) To periodically monitor the implementation of the CSR policy

2. Budget & Expenditure

The Company shall spend a minimum 2% of the average net profit during the three immediately preceding financial years on CSR activities.

Subject to the approval of the Board, based on recommendation of CSR Committee, the Company shall spend an amount of ₹ 50 lacs in FY 2014-15 for CSR activities of the Company.

Subject to provisions of sub-section (5) of Section 135 of the Act, the Company can undertake CSR activities through outside trusts, societies or companies only in India, provided that these have at least 3 years of track record of undertaking such activities. It will be ensured that the Board of Directors and the CSR Committee will not have any direct interest in the said entity. The Company may also collaborate or pool resources with other companies to undertake CSR activities and any expenditure incurred on such collaborative efforts would qualify for computing the CSR spends provided that the CSR Committees of
the respective companies are in a position to report separately on such projects or programmes in accordance with these rules.

The Company post deliberation has decided that contribution to any single trust, society or company shall not exceed `10 lacs for a financial year and a due diligence of the trust, society or company as approved by the Board will be carried out by the Company.

Although, there is a cap of `10 lacs in terms of contribution to a single trust, society or company, in a financial year, the Board is authorized to assess projects/initiatives (on a case to case basis) and approve expenditure above `10 lacs for a single trust, society or company in a financial year, with a cap of `15 lacs.

The Company may build CSR capacity through its own employees or through any implementation agency. However, the total expenditure should not exceed 5% of the total CSR expenditure in that year.

The Company shall give preference to the local area and areas around it where it operates, for spending the amount earmarked for Corporate Social Responsibility; This will include locations where the Company has its Head Office, hubs and bank branches of the distributors.

CSR expenditure shall include all expenditure including contribution to corpus for projects or programmes relating to CSR activities approved by the Board on the recommendation of its CSR Committee which fall within the purview of Schedule VII of the Act.

CSR expenditure will exclude those:
  i) incurred in the normal course of business
  ii) incurred for benefit of employees or their families
  iii) direct or indirect contribution to political party/group or person
  iv) direct or indirect contribution to religious association/organisation/outfit or person

Any contribution to bona fide charitable and other funds will be outside the purview of CSR Policy and will be governed by the provisions of the Companies Act 2013.

In case any amount is left unspent, the Director's Report will specify the reasons for the same.
3. **Focus Areas**
After due deliberations of the Committee, it is proposed to channel the CSR efforts towards **education** and **environment** as mentioned in Schedule VII of the Act:

- Promoting education, including special education, consumer education and awareness, employment enhancing vocation skills especially among children, women, elderly, and the differently abled and livelihood enhancement projects

- Ensuring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agroforestry, conservation of natural resources and maintaining quality of soil, air and water

4. **Community Investment/CSR Activities - Request for Proposal, Due Diligence and Disbursement of Funds**

The CSR activities/community investment shall be undertaken by the Company as per its stated CSR Policy, as projects or programmes or activities (either new or ongoing).

Community investments should bring a lasting benefit to local communities, motivate staff through opportunities for direct involvement, and as per the focus areas, promote education and/or environmental sustainability.

Decisions and approvals by the CSR Committee over disbursement of community investment funding are subject to the following checks. All CSR projects should:
- Reflect the key themes of educational and environmental support
- Ensure due diligence is completed for the trust/society/company including a field visit by the Company staff wherever possible
- Be based on an evaluation of the proposal which should have clear objectives and some measurable impact
- Allow for staff engagement through volunteering where possible or appropriate

Once approved, the CSR Committee will submit the recommendations to the Board of Directors for approval.

On approval by the Board, the amount will be disbursed to the trust/society/company.
