

## Project Swachhta

**Background:** Swachh Vidyalaya Campaign is linked to Swachh Bharat, the Hon'ble Prime Minister's national campaign promoting cleanliness and sanitation. A key feature of the campaign is to ensure that schools in India have functioning and well maintained water, sanitation and hygiene facilities. Water, sanitation and hygiene in schools are necessary to ensure a healthy school environment and to promote good hygiene habits. Schools are an established entry point for learning. Children are fast learners and adapt their behaviors more easily than adults.

**Impact:** Girls are particularly vulnerable to dropping out of school, partly because many are reluctant to continue their education when toilets and washing facilities are not private, not safe or simply not available. When schools have appropriate, facilities, an obstacle to attendance is for both boys and girls are removed. Basic facilities that provide for good hygiene and privacy, along with sensitive health promotion assist students to stay in school and complete their education.

**Budget:** Rs 6,12,968

**Time period/schedule:** 1 April – September 2015

**Details/plan:** Canara HSBC Oriental Bank of Commerce Life insurance, guided by Oriental Bank of Commerce (OBC), will build 8 toilets in 4 needy schools in the NCR - (a set of 2 toilets in 4 schools).
